March 2019 failed debit root cause split

Morning,

Before we call customers, Payments needs to know what actually happened.

Please split failed debits into insufficient funds, bank timeout, rejected mandate, duplicate attempt, reversal, late settlement and customer-cancelled items.

For March 2019, the raw count I have is 8 insufficient-funds cases and 10 timeout cases. Please validate against the transaction file and statement dates.

Output should be simple enough for the sponsor-bank call and detailed enough for the analysts to reproduce.
