## October 2019 business health view before EXCO

---

Hi Sarah,

Can you give me a simple business health view for October 2019? I want it practical, not a perfect model.

Please show customer activity, active accounts, loan repayment pressure, channel movement and the top customer pain points. Use the bank data we already have. If the number is draft, mark it as draft.

The board question is simple: are we growing safely, are customers struggling, and where is the bank creating avoidable work?

For context, the loan payment file has 2,168 rows, a 5.8% failure rate and YoY volume growth of not available.

Thanks,  
Kabelo
