November 2020 failed debit root cause split

Morning,

Before we call customers, Payments needs to know what actually happened.

Please split failed debits into insufficient funds, bank timeout, rejected mandate, duplicate attempt, reversal, late settlement and customer-cancelled items.

For November 2020, the raw count I have is 54 insufficient-funds cases and 42 timeout cases. Please validate against the transaction file and statement dates.

Output should be simple enough for the sponsor-bank call and detailed enough for the analysts to reproduce.
