May 2020 why are customers contacting us

Howzit team,

Can we get a customer contact view for May 2020? People are not always complaining about the same thing, even when the transaction looks similar in the data.

Please group contacts by fee questions, debit-order confusion, card or ATM declines, late posting, loan questions and digital help. Link it to branch, phone, card, ATM and early in-app service messages where possible.

I need examples that service teams can understand. A customer like Kayla Petersen does not know our source-system names; they just know money moved late or a fee appeared.

Output can be a Power BI page. Please include suggested wording for the top three contact reasons.

Thanks,
Zanele
