April 2023 why are customers contacting us

Howzit team,

Can we get a customer contact view for April 2023? People are not always complaining about the same thing, even when the transaction looks similar in the data.

Please group contacts by fee questions, debit-order confusion, card or ATM declines, late posting, loan questions and digital help. Link it to branch, phone, card, ATM, app, SMS, email and social media channels where possible.

I need examples that service teams can understand. A customer like Bongani Hlongwane does not know our source-system names; they just know money moved late or a fee appeared.

Output can be a case list. Please include suggested wording for the top three contact reasons.

Thanks,
Zanele
