May 2024 why are customers contacting us

Howzit team,

Can we get a customer contact view for May 2024? People are not always complaining about the same thing, even when the transaction looks similar in the data.

Please group contacts by fee questions, debit-order confusion, card or ATM declines, late posting, loan questions and digital help. Link it to branch, phone, card, ATM, app, SMS, email, social media, WhatsApp and chatbot channels where possible.

I need examples that service teams can understand. A customer like Lerato Ndlovu does not know our source-system names; they just know money moved late or a fee appeared.

Output can be a Excel extract. Please include suggested wording for the top three contact reasons.

Thanks,
Zanele
