July 2025 why are customers contacting us

Howzit team,

Can we get a customer contact view for July 2025? People are not always complaining about the same thing, even when the transaction looks similar in the data.

Please group contacts by fee questions, debit-order confusion, card or ATM declines, late posting, loan questions and digital help. Link it to all customer channels including WhatsApp, chatbot, app, social, email, phone, branch, card and ATM where possible.

I need examples that service teams can understand. A customer like Mpho Zuma does not know our source-system names; they just know money moved late or a fee appeared.

Output can be a Power BI page. Please include suggested wording for the top three contact reasons.

Thanks,
Zanele
