COVID hardship moratorium - loan debit order handling

Compliance / Risk,

With **First confirmed COVID-19 case in South Africa** (2020-03-05), we are pausing new collection litigation and suppressing NAEDO for customers on the approved hardship list.

Payments data still shows failed debits where customers have not enrolled – see failure rate 6.2% this month. Please confirm NCR guidance on retry limits.

We need a single source of truth flag in the customer mart by Friday.
