Loan payment reporting file volume +57% YoY - capacity check

Hi Sarah / Emma,

The loan payment files monthly partition for 2022-09 landed at **7,501 rows** (~+57.2% vs same month last year).

the scheduled load SLA is still green, but the data file→the reporting database copy breached 42 minutes on the 3rd run (within our 60m threshold). Please confirm downstream dashboards still use the v2 view with has data error filters applied.

Sipho will add file-size alerts before month-end close.
