KB 202310 where are the delays coming from

Hi Priya / Thabo,

Ops is getting questions about processing delays. We can see failures, but we cannot easily tell whether the issue is the payment switch, the bank response, the ledger posting or the statement arriving late.

Can you help us with a rough dashboard for the month?

Please show the worst days, channels affected and whether the delay created reconciliation breaks later. Timeout count I have is 145, but please check your side because I may be looking at the wrong report.

Peter
