Q3 loan portfolio MI - data request for 2025

Thabo / Siphon,

For quarterly board pack we need from banking data:

- Monthly loan payment failure rate (currently 4.5% for 2025-09)
- Top failure reason distribution
- Channel split (Automated vs digital)

Please snapshot the curated data file paths under /2025/09/ and register in the data catalogue.

Thanks,
Sarah
