### RE: Insufficient funds trend - 201 NSF cases in loan payments

---

Collections,

Noted 201 insufficient-funds returns on loan repayment debits this month. Overall failure rate is 4.7%, which is within tolerance, but NSF is concentrated on **Home Loan** mandates.

We are seeing higher incidence on collection day  $\geq 25$  (salary-cycle effect). Recommend holding proactive SMS for T-1 where behaviour score  $< 620$ .

Thanks,
